Say goodbye to the air gap between the LCD and cover glass, and hello to stunningly clear images and sharp, easy-to-read text. Now with anti-fingerprint coating for a smudge-free view.

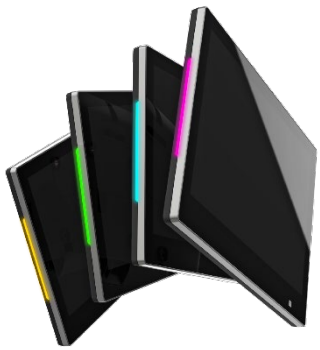

NFC/RFID + Apple Wallet Support

The TD-1070 Lite's NFC/RFID integration, now compatible with Apple Wallet, allows for quick and secure user authentication with a simple tap of your device.

Radiant Alerts, Stunning Visuals

Set your meeting rooms ablaze with the radiant LED lights that serve as dynamic alert notifications ensuring important alerts never go unnoticed.

Connect, Power, Simplify with PoE+

Experience the convenience and versatility of the TD-1070 Lite's PoE+ support. This game-changing feature allows for easy, single-cable installation, providing both power and data connectivity.

Unleash Wireless Freedom

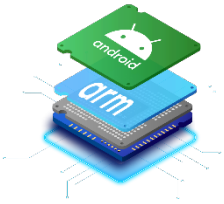

Unlock a new level of wireless performance with Wi-Fi 5 (802.11ac) dual-band support, delivering lightning-fast speeds, improved range, and enhanced reliability, ensuring your meeting room stays connected like never before.

Android 12 Unleashed

Safeguard your meeting room system with the TD-1070 Lite's Android 12 operating system, designed to keep your data and privacy protected in an ever-evolving digital world.

- Enhanced Safety and Security Features
- Latest OS in Commercial-Grade PC

- Penetration Test Compliance
- Regular Security Patch & OS Update
